What the U.S. needs is more regulation, while Japan needs to do away with restrictions to open its markets to foreign investment and new businesses.

Saturday 26th April, 09:28 AM JST

Iwan Azis, professor of management and regional science at Cornell University in Ithaca, New York. He says that comparing the U.S. and Japanese lending fiascos isn't particularly useful because the causes and mechanisms are so different. (AP)

TODAY'S TOP STORY

Buffett Buys \$500 Million of This Stock

A few weeks ago, Warren Buffett loaded up on this promising retailer, purchasing a stake valued at nearly \$500 million. This little-known retail stock has already gained +2,469%, but we expect its market share to grow ten-fold in the coming years, leading to market-crushing gains.

[Click here](#) to continue this article and learn the name and ticker symbol of Warren Buffett's most recent stock purchase.
